

WERA OUTSTANDING DISSERTATION AWARD

Purpose: To recognize exemplary dissertation research by doctoral students related to improving K-12 or higher education.

Awards

- One-year complimentary membership in WERA.
- Presentation of a plaque at the WERA/OSPI Annual Conference.
- Complimentary WERA/OSPI Annual Conference registration.

Eligibility: Candidates must have successfully defended their dissertation and been awarded a doctorate degree by an accredited Washington state institution in the calendar year in which the application is due.

Criteria The WERA Awards Committee will evaluate submissions based on the following criteria:

- Conceptually clear and important problem or hypothesis.
- Comprehensive review of applicable literature.
- Utilization of a methodologically sound approach.
- Cogent analysis of data.
- Meaningful results and discussion.
- Scholarly writing style.

The committee may recommend more than one award each year. An award will be granted only if the Committee deems that a dissertation is exemplary.

Application Procedure

1. Submit one electronic copy of the complete dissertation.
2. Submit an electronic overview of the dissertation. The overview must be fewer than 1,500 words (including graphics and appendices) and include the following elements:
 - The question investigated
 - A description of the conceptual or theoretical base
 - A brief review of the relevant literature
 - A description of the data and methodology used
 - A review of the findings, and
 - A discussion of the relevance of the findings
3. The chair or member of the dissertation committee must submit a letter of endorsement that does the following:
 - Attests to the nominee's eligibility,
 - Specifies the meritorious nature of the dissertation as it relates to the evaluation criteria, and
 - Indicates the nominee's current position, address, and telephone number.
4. The dissertation, overview, and letter of endorsement must be sent to the WERA Awards Committee at weraoffice@gmail.com by December 31 of the year in which the dissertation was defended or the doctorate degree was awarded.
